***Coles College of Business – Sophomore GPA Requirement – Business majors who first enroll at KSU in Fall 2008 or later must complete the seven lower-division business core courses plus a calculus course with an adjusted GPA of 3.00 or higher, and be admitted to the Coles Undergraduate Professional Program, in order to be eligible to enroll in upper-division business courses. A grade of “C” or better is required in each of these courses. Regardless of whether these courses are taken at KSU or another acceptable accredited university, their grades will be used in this GPA calculation. If KSU brings in a transfer course with something other than 3 hours credit, that will affect the GPA calculation. Once you have satisfied the Sophomore GPA Requirement your next step is to apply to the Coles Undergraduate Professional Program.**

****If you completed BISM 2100, you do not have to take IS 2200. If you completed BISM 3100, you do not have to take IS 3100.**

NOTES –

- Additional Information/Updates – This checksheet does not describe all of KSU’s policies and requirements. You must follow all the rules that are in the *KSU Undergraduate Catalog*. We have worked hard to ensure the accuracy of the information in this checksheet up to the date shown below. Be sure to check regularly for revisions/updates to this info.
- Prerequisites – Check the most recent edition of the *KSU Undergraduate Catalog* for course prerequisites. Students are responsible for meeting a course’s current prerequisites even if they changed after the student started at KSU. The *Catalog* is online at catalog.kennesaw.edu.
- KSU Grade Requirements –
 - Starting Fall 2011, business majors must earn a grade of “C” or better in **ALL** business courses counted toward their degree. If a business course was taken prior to Fall 2011, a grade of “C” or better was required except for the courses counted in the “Business Electives” section of the degree.
 - Students must earn at least a 2.0 GPA to receive a degree from KSU.
- KSU Residency Requirements – In order to receive a business degree from KSU:
 - All students must complete at least 33 semester hours of business courses at KSU, including at least 24 semester hours of upper-division business courses.
 - All students must complete at least 12 semester hours of their Major Field Requirements and Major Field Electives at KSU.
 - All students must complete at least 20 of their last 30 semester hours before graduation at KSU.
- You must graduate following the program requirements in a *KSU Undergraduate Catalog* that is not more than 10 years old at the time of graduation. If you do not graduate within 10 years of starting at KSU, you will have to move up to a more recent *Catalog* and meet all of the program requirements in it. Also, if you stay out of school for several terms and KSU requires you to be readmitted when you come back, you will have to follow the *Catalog* in effect for the term you are readmitted.
- Disclaimer: Completion of this check sheet does not insure that graduation requirements have been fulfilled. Only the KSU Registrar’s Office can say whether all graduation requirements have been met. Submit your petition to graduate to them as soon as you are eligible (at the beginning of the term before the term you want to graduate).
