***Coles Undergraduate Professional Program –**

- **Admission to the Coles Undergraduate Professional Program is a prerequisite for all upper-division business courses.**
- **Sophomore GPA Requirement – Business majors who first enroll at KSU in Fall 2008 or later must complete the Sophomore GPA Requirement as part of their requirements for admission to Coles. This involves completing the seven lower-division business core courses plus a calculus course with an adjusted GPA of 3.00 or higher. A grade of “C” or better is required in each of these courses. Regardless of whether these courses are taken at KSU or another acceptable accredited university, their grades will be used in this GPA calculation. If KSU brings in a transfer course with something other than 3 hours credit, that will affect the GPA calculation.**
- **Hughes Leadership & Career Program Requirement – Business majors who first enroll at KSU in Fall 2014 or later must complete the Hughes Leadership & Career Program, which consists of 3 courses. Completion of the first of these courses, BUSA 2150, is required for admission to Coles.**
- **You should complete the requirements and apply to the Coles Undergraduate Professional Program as soon as possible. Otherwise your progression to upper-division business courses may be delayed.**

NOTES –

1. **Additional Information/Updates** – This checksheet does not describe all of KSU’s policies and requirements. You must follow all the rules that are in the *KSU Undergraduate Catalog*. We have worked hard to ensure the accuracy of the information in this checksheet up to the date shown below. **Be sure to check regularly for revisions/updates** to this info.
2. **Prerequisites** – Check the **most recent** edition of the *KSU Undergraduate Catalog* for course prerequisites. Students are responsible for meeting a course’s **current** prerequisites even if they changed after the student started at KSU. The *Catalog* is online at catalog.kennesaw.edu.
3. **KSU Grade Requirements** –
 - Business majors must earn a grade of “C” or better in all business courses counted toward their degree.
 - Students must earn at least a 2.0 GPA to receive a degree from KSU.

4. KSU Residency Requirements – In order to receive a business degree from KSU:
 - All students must complete at least 33 semester hours of business courses at KSU, including at least 24 semester hours of upper-division business courses.
 - All students must complete at least 12 semester hours of their Major Field Requirements and Major Field Electives at KSU.
 - All students must complete at least 20 of their last 30 semester hours before graduation at KSU.
5. You must graduate following the program requirements in a *KSU Undergraduate Catalog* that is not more than 10 years old at the time of graduation. If you do not graduate within 10 years of starting at KSU, you will have to move up to a more recent *Catalog* and meet all of the program requirements in it.

If you stay out of school for several terms and KSU requires you to be readmitted when you come back, you will have to follow the *Catalog* in effect for the term you are readmitted.

If you change your Major, you will have to meet the degree requirements in the *Catalog* in effect for the term when you made that change.

6. Disclaimer: Completion of this check sheet does not insure that graduation requirements have been fulfilled. Only the KSU Registrar's Office can say whether all graduation requirements have been met. Submit your petition to graduate to them as soon as you are eligible (at the beginning of the term before the term you want to graduate).
