KSU Homecoming Game Highlights

Welcome to April!!! It's the last full month of the semester. If you need any help throughout the semester, Coles College Undergraduate Programs can provide services and resources to ensure online learning support. Kennesaw State University has several resources and tools to help you be successful online. Join us most Thursdays on Microsoft Teams where you can have a quick question for a career advisor. This is a great way to meet quickly (10-15 minutes) and ask your question. Whether you're a business major working on a proposal, a graduate student writing your dissertation, or an engineering student having to schedule an appointment. The KSU Writing Center is a writing center that provides advice, support, and knowledge to employers later. The KSU Writing Center is a 24-credit certificate program to Coles College of Business students, faculty, and concurrent students with a genuine interest in preparing for a career in the field of business. The Music & Entertainment Business (MEBUS) Program is a 24-credit certificate program for students interested in career paths in music & entertainment. The MEBUS Program offers three capstone courses in music & entertainment business as well as technology, venue and artist management, and television production, audio and video technologies.

Join our drop-in virtual career advising sessions to get answers to your questions on: networking, interviewing, resumes, cover letters, and job search strategies. The Coles College Advising Center's virtual reception desk is also open virtually. Hop on a Microsoft Teams call to ask our student assistants general advising questions. This program not only needs mentees but also provides advice, support, and knowledge to mentors. The Odyssey Peer Mentoring Program allows students to pair up with a mentor to develop their leadership skills. The Tetley Distinguished Leader Lecture Series brings Atlanta's great business minds to the university and provides advice, support, and knowledge to students.
