New Semester at KSU
Tips on your semester off to a bright start

Counseling & Psychological Services
Counseling & Psychological Services offers a wide array of workshops and programs aimed at helping students become successful at KSU. Some of the workshops include time management, procrastination, managing anxiety and depression, study skills, test anxiety, among others. Learn more and find the program best suited for you!

Peer Support Network
The Peer Support Network (PSN) is an initiative of the Counseling & Psychological Services (CPS) Student Advisory Board. Its goal is to provide one-on-one support to facilitate the academic and personal success of their fellow Owls. The services provided by the PSN are intended to provide connection and psychoeducation, they are considered consultation services and are not counseling. Visit the website to learn more and request a support consultation from your peers.

Online Learning Support
Kennesaw State University has several resources to help you be successful online throughout the semester. Whether it is the first day, the first week, or every day of the semester. Take advantage of online learning support today!
