TOTAL REQUIRED HOURS **42**

*MATH information – KSU requires all students to complete 6 hours of approved MATH courses. Business majors should NOT take MATH 1101.

***COLES SOPHOMORE GPA REQUIREMENT – You must earn a 3.00 or higher GPA on the set of seven courses for this Requirement, with a minimum grade of “C” in each course. More information on this requirement is available on your Major checksheet.

(continued)

NOTES –

1. Additional Information/Updates – This checksheet does not describe all of KSU’s policies and requirements. You must follow all the rules that are in the *KSU Undergraduate Catalog* for your Catalog Year. We have worked hard to ensure the accuracy of the information in this checksheet up to the date shown below. Be sure to check regularly for revisions/updates to this info.
2. Prerequisites – Check the most recent edition of the *KSU Undergraduate Catalog* for course prerequisites. Students are responsible for meeting a course’s current prerequisites even if they changed after the student started at KSU. The *Catalog* is online at catalog.kennesaw.edu.
3. However, it is highly recommended that you take ENGL 1101 and MATH 1111 the first semester of your freshman year.
4. You should NOT complete all of your General Education requirements before beginning business coursework or you may find it difficult to schedule a full load when you are starting business courses. However, you should not leave General Education courses for your last term because if you cannot get a seat, your graduation will be delayed.
5. KSU Grade Requirements –
 - Business majors must earn a grade of “C” or better in ALL business courses counted toward the BBA degree. In addition, International Business Majors must earn a “C” or better in the courses used to meet their Foreign Language and Education Abroad requirements.
 - Students must earn at least a 2.0 GPA to receive a degree from KSU.
6. KSU Residency requirements – In order to receive a business degree from KSU:
 - Students must complete at least 33 semester hours of business courses at KSU, including at least 24 semester hours of upper-division business courses.
 - Students majoring in business areas other than Accounting must complete at least 12 semester hours of their Major Field Requirements and Major Field Electives at KSU. Accounting Majors with a Catalog Term of Fall 2013 or later must complete at least 18 semester hours of these courses at KSU.
 - All credit hours earned during the student’s last academic semester of attendance in which degree requirements will be met must be completed at Kennesaw State University.
7. You must graduate following the program requirements in a *KSU Undergraduate Catalog* that is not more than 10 years old at the time of graduation. If you do not graduate within 10 years of starting at KSU, you will have to move up to a more recent *Catalog* and meet all of the program requirements in it.

If you stay out of school for several terms and KSU requires you to be readmitted when you come back, you will have to follow the *Catalog* in effect for the term you are readmitted.

If you change your Major, you will have to meet the degree requirements in the *Catalog* in effect for the term when you made that change.

8. Disclaimer: Completion of this check sheet does not ensure that graduation requirements have been fulfilled. Only the KSU Registrar’s Office can say whether all graduation requirements have been met. Submit your petition to graduate to them as soon as you are eligible (at the beginning of the term before the term you want to graduate).
